Email: info@aaaneuropsych.com · Web: <http://aaaneuropsych.com/>

Things to bring to your neuropsychology appointment

- Photo identification (e.g. driver's license)
- Primary and secondary insurance cards (if applicable)
- Co-pay/deductible/payment in **cash or check only** (made to AAA Neuropsychology, LLC).

You can also pay with credit card through PayPal on our website <http://aaaneuropsych.com/fees-and-insurance/>

- Lunch or snack. We have a refrigerator for storage if you need it.
- Copies of any medical records related to your current concerns or illness (e.g. brain scans, medical notes, prior evaluations, school records)
- Completed forms from "Forms" tab on the website
- Hearing aids or reading glasses, if applicable

Please try to get a good night's rest the night before the evaluation.

Please avoid alcohol and illicit drugs at least 24 hours prior to the evaluation.

If you take sleep or ADD/ADHD medicine, please check with your doctor whether it might affect cognitive test performance the next day.
